Business Overview

Our client owns a market leading innovative brand of heated clothing. The business has a large range of heated clothing items manufactured specifically for them and sells them to a wide market operating across 14+ countries. Located in the United Kingdom, this successful heated clothing brand was established over 10 years ago and owns both the UK and European trademark for its brand. The business has a great opportunity for further development.

The Opportunity

This business has a valuable name in its niche industry and offers a potential purchaser an exciting opportunity with:

- Market leader within niche industry
- Loyal client base
- Established for 9+ years
- Extremely scalable within the Northern Hemisphere
- Great short term growth potential
- Opportunity to branch out to additional markets

Reason for Sale

After running the business for 25 years, this profitable business division is no longer core to the main group activity. Vexus is retained to open discussions with suitably qualified trade purchasers with an interest to take over the goodwill and assets of this fully trading business.

Summary

This business is an established brand, rich in intellectual property and goodwill, offering healthy profits in the short and long terms. This will prove an attractive bolt-on to a larger business or an established clothing business seeking to break into new areas

PRICE

This is an asset sale only. Offers are invited for the goodwill and assets of this profitable business.

The Next Step

Please follow the link in the email to sign the confidentiality agreement for this business, after which you will receive further details and financial accounts on this business.
